

Worst Pills, Best Pills News

Your expert, independent second opinion for prescription drug information

2021 Index

Worst Pills, Best Pills News Index

All drugs in this index have been the primary subject of articles published in *Worst Pills, Best Pills News* from January to December 2021.

If your drug of interest is not listed in the 2021 index, you may request an index of previous years from Public Citizen's Publication Department by mailing a written request or by emailing wbpbsupport@citizen.org.

Publications cost \$7 each. To request a back issue, send order

information with a check or money order payable to Public Citizen to:

WPBP Back Issues
Public Citizen Member Services
1600 20th St. NW
Washington, DC 20009

Please indicate the volume number (V) and issue number (#).

Back issues of *Worst Pills, Best Pills News* dating back to 2004 are also available online at WorstPills.org.

How to use this index

Generic drugs are listed in lowercase letters.

Brand names are listed in CAPITAL LETTERS.

Volume numbers (V) refer to the year (V25=2019, V26=2020, V27=2021)

Issue numbers (#) refer to the month of the newsletter (January=1, February=2, etc.).

Worst Pills, Best Pills News — Index by Title

December 2021 – V27#12
